

# Vitex Kitchen & Bath Cleaner

Cleaner against mould and fungi

Due to its special chemical formulation Kitchen & Bath Cleaner is ideal for cleaning stains and mould. It is easy to apply, effective against mould and environment- & user-friendly. It removes the unpleasant odor from surfaces, while leaving a fresh pleasant smell. It is ideal for removing stains, mould and dirt from a variety of household surfaces such as painted walls, tile joints, etc. It is recommended for areas and surfaces suffering from high humidity or high concentrations of water vapor such as kitchens and bathrooms.

- **Cleaner for stains and mould**
- **Removes the unpleasant odor, while leaving a fresh pleasant smell**

## PACKAGING

Clear	500 mL
-------	--------

## SPREADING RATE

10 - 14 m<sup>2</sup>/L.

## APPLICATION

Shake before use, hold the product in a vertical position -if possible- and spray on the surface from a distance of 30-50 cm.

For removing stains spray direct at the stain and wipe the surface after 5-10 minutes using a wet dishcloth.

For moldy surfaces, spray liberally and direct at mould. Wipe the surface after 15-20 minutes using a dry dishcloth. Finally apply 2 coats of Kitchen & Bath to further protect them from fungi and mould.

## STORAGE

Containers must be kept closed in a cool, dry, well ventilated area protected from direct sunlight at temperatures between 5°C - 38°C.

## SAFETY ADVICE

Read label before use. For further instructions - precautions see Material Safety Data Sheet.
