CL 48 HEAVY DUTY HAND CLEANER PASTE

Technical Data Sheet

Reviewed: 30.08.2019

DESCRIPTION

CL 48 HEAVY DUTY HAND CLEANER PASTE is a paste for easy and effective cleaning of hands from hard stains such as grease, lubricating oil, bitumen, paints, cement, plaster, glues, inks, soil, etc. Cleans down to the pores and leaves a pleasant feel to the skin with a gentle fragrance. It does not contain allergens, ammonia, phosphates and petroleum derivatives. It is user and environmentally friendly.

ADVANTAGES

1. Excellent cleansing action
2. Deep and gentle cleaning at the same time
3. Does not contain allergens
4. Pleasant gentle fragrance
5. User and environmentally friendly

APPLICATIONS

CL 48 HEAVY DUTY HAND CLEANER PASTE is ideal for professionals working in car repairs, printing houses, construction works (painters, plumbers etc.), machine shops, shipbuilding units, metal constructions, industry, crafting etc.

INSTRUCTIONS FOR USE

1. Thoroughly rub the paste into dry hands until the dirt has been released from the skin.
2. Thoroughly rinse the hands with plenty of water and dry them as usual.
3. For optimum use of the product it is advisable not to wet your hands before applying the paste.

REMARKS

The product is subject to natural shrinkage. Use within 12 months of opening.

CONSUMPTION

Depends on application

TECHNICAL CHARACTERISTICS

Form: Paste
Colour: Off white
Odour: Aromatic
Specific gravity: 1,56 gr/cm³ 25°C
Viscosity: 78000 cps 25°C
Flammability: Not flammable
Application temperature: +5°C έως +35°C.

STORAGE

Products should be stored in a dry and cool place at a temperature of 5°C -35°C. Protect from humidity and direct sunlight.

SHELF LIFE

24 months from the production date in the above mentioned storage conditions. The product should remain in the original unopened packaging bearing the manufacturer's batch number.

PACKAGING

Plastic containers 1Kg & 4Kg

PACKAGING	CODE	BARCODE
1Kg	5028	5204094050285
4Kg	5029	5204094050292

HEALTH AND SAFETY INFORMATION

The product is not classified as hazardous according to CLP Regulation (EC) No 1272/2008

The directives contained in this technical data sheet are the result of our long experience from real life applications and the research testing of our research and development laboratory and have been submitted in good faith. Because of the diversity of the materials and substrates and the great number of possible applications, which are beyond our control, we cannot accept any responsibility for the results obtained. In every case it is recommended to carry out preliminary experiments. We are liable only for our products for being free from faults and of consistent quality. Users are responsible for complying with local legislation and for obtaining any required approvals or authorizations. The present edition of this technical datasheet automatically cancels any previous ones concerning the same product.
