

DUROSTICK D-61

Cleaner for stainless steel & precious metal surfaces and items

PROPERTIES

Powerful yet gentle cleaning cream that restores the long lost luster of any stainless steel surface very quickly, without scratching. After cleaning and restoring the surface, it maintains a long lasting sheen. It contains no solvents that harm the environment and its organic ingredients are easily biodegradable.

APPLICATIONS

DUROSTICK D-61 is ideal for cleaning any stainless steel utensil. It removes salts and rust, and the tarnish from any silver utensils as well as brass, copper and bronze. It effectively removes any oxidation from brass and bronze ornaments, chandeliers, silverware, etc.

USE

Shake the container well before use. Apply the cream onto the spots or sections to be cleaned, and rub gently with a soft cloth. Rinse with water and wipe the surface with a dry cloth, paper towel or cotton balls.

STORAGE

Store in shaded places protected from frost, for at least 24 months from production date.

PACKAGING

Carton box with 15 pcs of 250ml

SAFETY DIRECTIONS

The product is classified as an irritant. It is recommended to keep away from the reach of children and apply it in well ventilated areas. Before use, refer to the cautions on the product packaging or the Material Safety Data Sheet.
