### SAFETY DIRECTIONS

The product needs no hazard labeling under current European and National legislation. However, it is recommended to keep away from the reach of children. If swallowed seek immediate medical advice and show the container or label.

### PACKAGING

Carton box with 20 pcs of 750ml each one  
20lt container (special order)

### PROPERTIES

Shampoo with wax for the care and treatment of your car.

Its concentrated formula combines powerful cleaning and protection, while restoring your automobile's lost sheen.

Its rich foam dissolves easily any difficult dirt. The carnauba natural wax and silicone mix contained in its formula shines and protects against adverse weather conditions and ultraviolet solar radiation.

It is easily rinsed, even with cold water without leaving salt or soap stains, making your automobile shine like new.

### APPLICATIONS

WAX AUTO SHAMPOO is ideal for all car body types and paint finishes.

It can also be used for trucks, motor-bikes even bicycles. It is a highly effective as a protection and a cleaning product for truck tarps.

### USE

Wet down the vehicle with water only and remove all loose dirt on top of the automobile. Empty 1-2 caps of WAX AUTO SHAMPOO in a pale or bucket and pour in it approximately 4lt of water.

Use a soft sponge or a specialized soft brush for automobiles and wash the vehicle. Continue this process until the entire surface is washed. Lightly rub stubborn marks until they are removed.

Rinse the vehicle thoroughly with plenty of water and immediately dry with chamois leather or wettex.
