

DUROSTICK GREASE

Long-lasting

PROPERTIES

Lithium grease for professional and residential use. It protects against rust and friction all moving metal parts in machinery and equipment. It maintains its fluidity over time and provides excellent lubrication that lasts

APPLICATIONS

Suitable for the lasting lubrication of gears and bearings, battery terminals, cables as well as pumps and pistons, door and window hinges . It prevents odor leaks from metal or plastic well covers.

USE

1. Surface preparation

Remove all rust and dirt from the application surfaces.

2. Application

Place the tip of the bottle at the application point and squeeze. For large surfaces, and by using a brush or a putty knife, coat with the required

amount of lubricant in order to protect the surfaces.

CONSUMPTION

Depending on the application.

STORAGE

Store in shaded places away from any heat source, for at least 36 months from production date.

SAFETY DIRECTIONS

This product needs no hazard labeling under current European and National legislation.

It is recommended though to keep away from the reach of children. If swallowed, seek immediate medical advice and show the container or label.
